TEENTECH Forum

Thomson@2005: I always read about teens and how much time they spend on their electronic devices. Is it a good idea for teens to have a lot of electronic devices? What do you think?

Dan@14: Of course it is! Having a device like a smartphone is a great way for me to contact friends and family members – especially the ones I don't see very often. I share photos and send them text messages on a messaging app all the time. I also use my laptop and my tablet to do research and improve my computer skills.

Harrison@008: Electronic devices can have some negative effects on teens. I had a tablet, a smartphone and a games console. I spent too much time playing video games and going on social media. My parents said it would reduce my **attention span** and make me lack social skills. My doctor told me I was gaining weight, too. Now, I just have a smartphone and I only use it after I finish my homework. I'm glad I stopped wasting so much time on electronic devices.

Question 21. What is the main topic of the forum discussion?

- A. Several benefits of social media for teenagers.
- B. Some effects of electronic devices on teens.
- C. Different ways to contact friends and family members.
- D. Different ways to improve computer skills.

Question 22. Why does Dan@14 believe it's good for teens to have electronic devices?

- A. Because he can stay connected with friends and family members and better his computer skills.
- B. Because he can play video games on the screen all the time.
- C. Because he can gain weight and finish his homework.
- D. Because he can improve his social skills by making friends with new people.

Question 23. Where does Dan@14 share photos and send messages?

- A. On a games console.
- B. On a computer website.
- C. On a messaging app.
- D. On TeenTech forum.

Question 24. How does Harrison@008 change his habits of using electronic devices?

- A. He completely stops using electronic devices.
- B. He starts using more types of electronic devices.
- C. He spends most of his time playing video games on social media.
- D. He only uses his smartphone after finishing his homework.

Question 25. The phrase '**attention span**' in the text probably means _____.

- A. the learning style someone can choose
- B. the ability someone can remember
- C. the period of time someone can focus
- D. the learning method someone can use
